

Patient Information: Health and Safety procedures within Clinic

FACEMASKS

Everyone entering the clinic will be required to wear a face mask.

SANITISER

Sanitiser will be provided which all patients should use on entry and exit of the clinic.

CLEANING

Additional, extensive cleaning measures are in place to be carried out between each patient.

PPE

All staff will wear face masks at all time and full PPE equipment during treatments.

STAGGERED APPOINTMENTS

Appointments will be staggered to allow for cleaning in between patients. Please attend your appointment at your allocated time.

ATTEND APPOINTMENTS ALONE

All patients should arrive at appointments alone. (Contact us in advance if you require assistance)

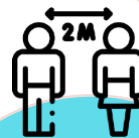

TOILETS

Toilets will be closed (unless needed for emergencies)
Limited waiting areas (therefore you may be asked to wait in your car until your appointment time)

ONE WAY

A one way system is in place. The entrance is around the back of the clinic (please follow the signs) Please ring the doorbell and wait for assistance.

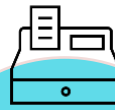

KEEP YOUR DISTANCE

All patients and staff must abide by the 2 metre rule at all times, with the exception of when treatments are being carried out.

SCREENING FORM

A Covid screening form will be sent 4 days before your appointment on your confirmation email. This needs to be completed before attending your appointment.

PAYMENTS

Please pay with card or contactless.

TEMPERATURE CHECK

All patients will be temperature checked on arrival.
